A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

This comprehensive volume provides a wealth of information with annotated listings of more than 3,500 titles—a broad sampling of books on the war years 1939-1945. Includes both fiction and nonfiction works about all aspects of the war. Professional resources for educators aligned to the educational standards for social studies; technical references; periodicals and electronic resources; a directory of WWII museums, memorials, and other institutions; and topics for exploration complement this excellent library and classroom resource.
