Amaravathi Kathalu | TeluguBooks.in (Navodaya Book House)

With Virendra Saxena, Mohan Gokhale, Neena Gupta, Ravi Jhankal. Based on Shri Satyam Shanaramanchi's Telugu Classic "Amaravati Ki Kathalu", Amravati ki Kathayein is a collection of 100 short stories depicting the life in Amaravati. This won the Telugu Sahitya Academy Award for the writer Shri. Satyam Sankaramanchi.

Amravati Ki Kathayein (TV Series 1994–1995) - IMDb

My recommendation to explore Telugu literature will be to start with Amaravati Kathalu by Satyam Sankaramanchi, which is a well-written collection of Telugu short stories. Edu Taralu, which is a translated version of Roots by Alex Haley. And the books written by director Vamshi, where the stories are based in the Godavari district.

A masterpiece of British Indian literature in a vibrant modern English translation

From dark dilemmas to sharp wounds. That is what this unique collection by writers spanning a century can be summed up as. The stories, unflinching in style and content, focus on women s issues like abortion, rape, dowry and beyond. Each piece is reflective of a path-breaking vision that has altered the Telugu literary scene in form, style and content.

Architect of 'Operation Flood', the largest dairy development programme in the world, Dr Verghese Kurien has enabled India to become the largest milk producer in the world. A man with a rare vision, Dr Kurien has devoted a lifetime to realizing his dream - empowering the farmers of India. He has engineered the milk cooperative movement in India. It was a sheer quirk of fate that landed him in Anand where a small group of farmers were forming a cooperative, Kaira District Cooperative Milk Producers'Union Limited (better known as Amul), to sell their milk. Intrigued by the integrity and commitment of their leader, Tribhuvandas Patel, Dr

Kurien joined them. Since then there has been no looking back. The 'Anand pattern of cooperatives were so successful that, at the request of the Government of India, he set up the National Dairy Development Board to replicate it across India. He also established the Gujarat Cooperative Milk Marketing Federation to market its products. In these memoirs, Dr Verghese Kurien, popularly known as the 'father of the white revolution', recounts, with customary candour, the story of his life and how he shaped the dairy industry. Profoundly inspiring, these memoirs help up comprehend the magnitude of his contributions and his multifaceted personality.

The story of an entrepreneur who moved from a single, family style restaurant, to create a chain known across India. But his passion for hospitality did not stop there. Vithal Kamat had a dream to make a five star hotel. He went on to make THE ORCHID, a five-star ecotel, which won numerous awards for being the world's best environmentally sensitive hotel. The Orchids multiplied and today stand as icons of hospitality. This is the story of what went into the making of this empire. This is an inspiring story of a man willing to face any odds for his dream, armed with determination, dedication and discipline. There are moments in our lives, where we feel like giving up on our vision and aspirations. This true life story of hotelier Vithal Kamat shows that all it takes to make it, is the belief in your dreams and the conviction to see them through.

Moogavani Pillanagrovi (1993) is woven around the near-suicidal death of a farmer who loses his land. While the period of the plot is around the 1950s, the story revolves around the farmer's ties with his land and his inability to visualize a life without it-an issue relevant even today. The farmer's death could have been forgotten by the village, except for several puzzling incidents that crop up. Myth and reality intertwine to create a folklore around the land and the farmer. This Telugu novella was first published in 1993, during a period when Andhra Pradesh's farmers had begun committing suicide in droves. Many surprising parallels can be drawn to the pressures in agriculture and the farmer in real life and in the novel. This novella introduced what is called (in Telugu literary criticism) as magic realism-mirroring real life and yet making wide departures into the world of lore, mythic representation, and strongly rooted cultural beliefs. Kesava Reddy writes with a strong inflection of his native Rayalaseema dialect. Breaking the tradition of writing in the standard Telugu form as it is spoken and written by people from the coastal districts of Krishna and Guntur, Kesava Reddy along with several other writers began writing in his native dialect-a bold step at that time. The detail in the novel is striking. Kesava Reddy also broke with Telugu literature (which was didactic at that time) to build on detail and cut down on dialogue. His dialogues are sparse and never interfere with the tempo built up in the story.

At a crucial moment after the cliffhanger ending of book one, The Immortals of Meluha, the warrior-hero Shiva--the man who is the prophesied Neelkanth, or destroyer of evil--is fighting to protect his wife Sati from an invasion by the Nagas, a mysterious militaristic society. Evil forces are growing in strength all around the conflict, and Shiva's own philosopher-guides have betrayed his unquestioning faith by accepting aid from the dark side. Even the idyllic empire of Meluha hides a terrible secret. Accompanied by his troop of warriors, Shiva travels East to the land

of Branga in hopes of discovering clues as to the whereabouts of the Naga people. The journey concludes in the Naga capital of Panchavati, where a surprise awaits him that will change the balance of power...

This is one of the many inspiring books from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.
