A country doctor shares stories about his life and practice and his ability to share in the afterlife experiences of dying patients.

Recounts the story of a young mother who underwent an intense near-death experience after she became unresponsive during a medical emergency, as she discusses the hardships of her past and the impact of the experience on her life.

Is there life after death? After a tragic accident, doctors pronounced Richard Sigmund legally dead. Eight hours later, God miraculously brought him back to life on the way to the morgue. During those hours, God allowed him to experience the glorious beauty, heavenly sounds, sweet aromas, and boundless joys of heaven that await every believer. God then returned him back to earth with a mission to tell the world what he saw. You will thrill to Sigmund's eyewitness accounts of strolling down heaven's streets of gold, seeing angels playing with children, talking with Jesus, meeting with people from the Bible, as well as departed family and friends, seeing the mansions, and much more! Through Sigmund's testimony, God restored sight to the blind, hearing to the deaf, and even raised several people from the dead. Also, glimpse into the horrifying reality of “the other place”—a place where no one wants to go.

Feel better, grow stronger, and draw closer to the Father. Country doctor and author of the acclaimed memoir *Appointments with Heaven* Reggie Anderson pens hopeful and encouraging reflections on the healing hand of God—even in the darkest of circumstances. Combining inspiring story and powerful Scripture, Reggie reveals the deep and unending love the Father has for his children—broken or whole, healthy or sick. Even when we can't see it, God is always present in our pain and suffering. Whether in life or after life passes, he is working to bring healing to whatever ails you. With every page of this 90-day devotional, you'll discover that true healing isn't limited to the pages of the Bible. God is active and alive, working in our lives to bring us closer to him.

Children have always been close to the heart of God. It is when children are sick, even dying, that they can suddenly bring us closer to God ourselves. Children's minister and former children's hospital chaplain Leanne Hadley has been ministering to hurting children for years. In *Touching Heaven*, she recounts the poignant stories and simple faith of the remarkable children she has been privileged to serve. She shares their encounters with God, Jesus, and angels. And with humor and tenderness, she offers their inspiring testimonies to the presence of God in our lives—even as earthly life is ending. Anyone who has lost a child or another loved one, or anyone who is currently supporting a dying person along the journey, will find in these stories comfort, inspiration, and hope of everlasting life.

Collects true stories of the beauty and pain of life's end from medical professionals, hospice workers, and the author's own experiences as a hospice nurse.
