Chinatown Reviews - Metacritic

Co-starring film legend John Huston and featuring an Academy Award-winning script by Robert Towne, Chinatown captures a lost era in a masterfully woven movie that remains a timeless gem. Rent ₹ 150 Buy ₹ 690

Willis Wu doesn't perceive himself as a protagonist even in his own life: He's merely Generic Asian man. Sometimes he gets to be Background Oriental Making a Weird Face or even Disgraced Son, but he is always relegated to a prop. Yet every day he leaves his tiny room in a Chinatown SRO and enters the Golden Palace restaurant, where Black and White, a procedural cop show, is in perpetual production. He's a bit player here, too, but he dreams of being Kung Fu Guy--the most respected old that anyone who looks like him can attain. At least that's what he has been told, time and time again. Except by one person, his mother. Who says to him: Be more. Playful but heartfelt, a send-up of Hollywood tropes and Asian stereotypes, Interior Chinatown is Charles Yu's most moving, daring, and masterly novel yet.

Profiles the five most famous Chinatown regions of the United States, likening Chinatown to a vibrant microcosm that possesses its own history and national cultural significance. A boy and his grandmother wind their way through the streets of Chinatown, enjoying all the sights and smells of the Chinese New Year's Day.

Manhattan's Chinatown is an enclave located in the oldest section of New York City, Manhattan's Lower East Side. For most who reside there, Chinatown serves as the quintessential microcosm. It is a place to do business, buy groceries, and raise families. For many Chinese immigrants, it provides a stepping stone to a perceived better life that may only be achieved through hard work, determination, sacrifice, and assimilation. Chinatown's main sources of income and employment lie in its many restaurants, factories, small shops, and businesses. However, for generations of New Yorkers and visitors, Chinatown represents the very embodiment of exotica. With its ancient tenements, temples, fragrant food aromas, neon signs, colorful sites and sounds, and aromatic curio shops, it provides the ultimate journey of the senses, revealing an energetic and vibrant world. Through vintage postcards, Manhattan's Chinatown chronicles how this community has continually evolved over 150 years.

A vivid account of the Chinatown race riots in 1871 Los Angeles, now counted among the worst hate crimes in American history.

On the motion picture.

Presents the scripts for two films from the 1970s, one the story of a private detective in Los Angeles, and the other dealing with two Navy Shore Patrols escorting a prisoner.

San Francisco Chinatown is the first history of and guide to SF Chinatown written by someone born and raised there.

Since the Gold Rush, San Francisco's Chinatown has been a destination for sojourners, immigrants, locals, and tourists. Despite laws restricting Chinese immigration, Chinatown has thrived as a residential and commercial center. Designed for tourists and bearing little resemblance to real Chinese cityscapes, the streets and buildings have nonetheless been extensively documented in picture postcards, as have the residents, particularly from the 1890s to 1930s, the "Golden Age of Postcards." The cards, relatively few of which survive, were kept as visual souvenirs and mementos, or were mailed to family and friends. Book jacket.

"The acclaimed chef behind the Michelin-starred Mister Jiu's in San Francisco's Chinatown shares stories of the past, present, and future of Chinese cooking in America through 90 mouthwatering recipes"--
