### **Salvador Dalí and "The Wines of Gala" - Rodrigo Mammana**

The Wines of Gala is very much a companion volume that, like its predecessor, blends the surrealistic with the straightforwardly instructive. Much of this surrealistic intoxication is down to the images; reproductions of Dalí's oil paintings from throughout his career are interspersed both with illustrations he produced specifically for the book and various repurposed, surreally touched-up "appropriations" of paintings from the classical canon (the latter amusingly reminiscent of the ...
