This work considers how to make architecture compatible with the environment. It presents a framework in which the architect, building contractor and owner can understand how building construction affects the natural site and its resources. It also explains the real, pragmatic steps that can be taken to mitigate the all-too-common damage that man-made structures inflict on the natural environment, including low-energy design, bioclimatic design, recycling and disposal of building materials and waste and ecological landuse planning. The text contains case studies of low-environmental impact building designs from around the world and demonstrates the new emphasis on using building materials with long life-span and low maintenance costs.

Complete First for Schools is official preparation for the revised 2015 Cambridge English: First (FCE) for Schools exam. It combines the very best in contemporary classroom practice with engaging topics aimed at younger students. The information, practice and advice contained in the course ensure that they are fully prepared for all parts of the test, with strategies and skills to maximise their score.

Grammatik für englisch sprechende Deutschlerner für Anfänger ab Niveau A2 sowie für Fortgeschrittene.

"A novel of family and place and belonging." --Rebecca Makkai, Pulitzer Prize finalist
"Tender and suspenseful." --Chloe Benjamin, New York Times bestselling author
Some places never leave you... After a disastrous summer spent at her family's home on Cape Cod when she is seventeen, Ann Gordon is very happy to never visit Wellfleet again. If only she'd stayed in Wisconsin, she might never have met Anthony Shaw, and she would have held onto the future she'd so carefully planned for

herself. Instead, Ann ends up harboring a devastating secret that strains her relationship with her parents, sends her sister Poppy to every corner of the world chasing waves (and her next fling), and leaves her adopted brother Michael estranged from the family. Now, fifteen years later, her parents have died, and Ann and Poppy are left to decide the fate of the beach house that's been in the Gordon family for generations. For Ann, the once-beloved house is forever tainted with bad memories. And while Poppy loves the old saltbox on Drummer Cove, owning a house means settling, and she's not sure she's ready to stay in one place. Just when the sisters decide to sell, Michael re-enters their lives with a legitimate claim to a third of the estate. He wants the house. But more than that, he wants to set the record straight about what happened that long-ago summer that changed all of their lives forever. As the siblings reunite after years apart, their old secrets and lies, longings and losses, are pulled to the surface. Is the house the one thing that can still bring them together--or will it tear them apart, once and for all? Told through the shifting perspectives of Ann, Poppy, and Michael, this assured and affecting debut captures the ache of nostalgia for summers past and the powerful draw of the places we return to again and again. It is about second homes, second families, and second chances. Tender and compassionate, incisive and heartbreaking, *The Second Home* is the story of a family
