Pediatric Integrative Medicine Elective. This 4-week facilitated, on-line elective is the first of its kind to provide curriculum to residents from a range of specialties who are interested in exploring Pediatric Integrative Medicine. The content is based on the Center's Fellowship program and was recently reorganized for this course by the Director of Pediatric Integrative Medicine in Residency, Joy Weydert, MD, FAAP, Professor of Integrative Medicine and Pediatrics, and the AZCIM team.

model frequently does not provide ample time to fully explore issues such as nutrition and requires a more in-depth assessment and plan.

Integrative Pediatrics and Medicine - Integrative ...

In this volume in the Weil Integrative Medicine Library series, the authors describe a rational and evidence-based approach to the integrative therapy of childhood disorders and well-child care, integrating the principles of alternative and complementary therapies into the principles and practice of conventional pediatrics. The authors examine what works and what doesn't and offer practical guidelines for physicians to incorporate integrative medicine into their practice and how to advise ...
