The definitive international history of one of the world's most successful rally cars. Covers every Lancer model - including all special editions, and Dodge, Colt, Plymouth, Valiant, Eagle, Proton and Hyundai variants - from 1973 to date. Includes a Foreword by Shinichi Kurihara, Mitsubishi's Evo team leader.

The Mitsubishi Pajero was first launched in 1983, creating a new class of 4x4, smaller and more affordable than the Range Rover. Renamed Shogun for the UK market, and Montero for Spain and the Americas, this rugged, yet refined, off-roader rapidly became Mitsubishi's best-selling export. In the 22 years since its introduction, the Shogun's popularity has gone from strength to strength, and in the UK grey imports of Pajeros now outnumber official Shoguns. This fascinating book, now available in paperback, is essential reading for all Shogun owners and enthusiasts.
