This book takes a new approach to teaching students to think and learn about issues of race and diversity. It aims to break down the traditional categorizations of racial/ethnic groupings and focuses on teaching students to think and

Get Free Multicultural Psychology 2nd Edition

learn in a multidimensional manner, rather than in a linear fashion.

The key to the book lies in its aim to teach students to practise culturally competent counselling by taking into consideration a client's multiple identities, such as a middle-aged, African American woman,

Get Free Multicultural Psychology 2nd

who might be facing issues due to her racial grouping, her age and her gender. The book is filled with activities, excercises and examples that help students think about racism in a non-traditional manner, rather than the typical ways often taught, making it very timely and reflecting
