Reasons Of Conscience The Bioethics

It then focuses his discussion around three core categories—transparency, conscience, and Germany itself—arguing that without fully considering these, we fail to understand German bioethics. The book concludes with an assessment of German legislators and regulators' attempts to incorporate criteria of ethical research into the German Stem Cell Law.

“Reasons of Conscience is a dazzling study of
the intersection of science, political life,
and historical memory in modern Germany. It
traces the public debate surrounding the
legal, moral, and ethical ramifications of
stem cell research in a country acutely
sensitized to avoiding the repetition of the
industrialization and eugenic manipulation of
life in its past.
