This book shares with English readers Chinese theoretical and practical explorations of moral education curriculum for primary schools within the basic education curriculum reform project since 2001. The book expounds this moral education curriculum reform and focuses on three main ideas: The curriculum's aim is to enrich children's experiences and reflect their own lives; the curriculum's content is originated from children's lives; the curriculum's structure is developed from children's learning approach in their morality and social study. In this book, light is also shed on how to construct moral education textbooks, direct moral instruction, and moral teacher identity in the perspective of moral learning; how to knit law education and Chinese traditional culture education in moral curriculum. This is the first comprehensive book focusing on Chinese moral education curriculum reform. It will appeal to researchers, research students, and writers of moral education textbooks. It is also suitable for teacher training programs to help future teachers learn about moral education curriculum and help them effectively design and organize it for children's morality study.

TEACHERS GUIDE SEXUALITY EDUCATION is, basically, CHARACTER EDUCATION, which in turn is founded on human dignity and encompasses formation in moral standards and human conduct. This book is intended for educators other than the parents. It is intended for use in the classroom, in parish halls, and in other venues where educators strive to shape minds and hearts to make good and responsible day-to-day decisions on key aspects of life. This is the second of an 11-volume series, the first dealing with the basics and nuances of sexuality education; the third addressed to parents; and the next eight intended as textbook series for Grades 5 to 12 (ages 11 to 18) of the K to 12 program. The book series in SEXUALITY EDUCATION is probably a most potent tool to help young people and their parents and other educators, regardless of creed, culture, and social status, to appreciate love, life, and everything in between.
