Julius Caesar at Her Majesty's Theatre, 1908 Fellow senators, Caius Cassius and Marcus Brutus, are suspicious of Caesar's reactions to the power he holds in the Republic. They fear he will accept offers to become Emperor. He has been gaining a lot of power recently and people treat him like a god.

~~Summary of Julius Caesar | Shakespeare Birthplace Trust~~

Julius Caesar was instrumental in the transformation of the Roman Republic into the Roman Empire. A politician of the popular faction and a daring military commander, he formed an unofficial triumvirate with Pompey and Crassus , conquered Gaul , fought and won a civil war against The Senate and his former ally, Pompey, and became perpetual dictator of Rome.

~~Julius Caesar - Wikisource, the free online library~~

Julius Caesar, the Roman dictator, was assassinated by a group of senators on the Ides of March (15 March) of 44 BC during a meeting of the Senate at the Theatre of Pompey in Rome. The senators stabbed Caesar 23 times. The senators claimed to be acting over fears that Caesar's unprecedented concentration of power during his dictatorship was undermining the Roman Republic, and presented the deed ...

~~Assassination of Julius Caesar - Wikipedia~~

Julius Caesar was a Roman general and politician who named himself dictator of the Roman Empire, a rule that lasted less than one year before he was famously assassinated by political rivals in 44 B.C. Caesar was born on July 12 or 13 in 100 B.C. to a noble family. During his youth, the Roman Republic was in chaos.

~~Julius Caesar | National Geographic Society~~

Julius Caesar is a 1970 British independent film adaptation of William Shakespeare 's play of the same name, directed by Stuart Burge from a screenplay by Robert Furnival. The film stars Charlton Heston, Jason Robards, John Gielgud, Robert Vaughn, Richard Chamberlain, Diana Rigg, and Jill Bennett.

Looks at the life and accomplishments of the ancient Roman general and leader.

More than two thousand years after his death, Julius Caesar remains one of the great figures of history. He shaped Rome for generations, and his name became a synonym for "emperor" -- not only in Rome but as far away as Germany and Russia. He is best known as the general who defeated the Gauls and doubled the size of Rome's territories. But, as Philip Freeman describes in this fascinating new biography, Caesar was also a brilliant orator, an accomplished writer, a skilled politician, and much more. Julius Caesar was a complex man, both hero and villain. He possessed great courage, ambition, honor, and vanity. Born into a noble family that had long been in decline, he advanced his career cunningly, beginning as a priest and eventually becoming Rome's leading general. He made alliances with his rivals and then discarded them when it suited him. He was a spokesman for the ordinary people of Rome, who rallied around him time and again, but he profited enormously from his conquests and lived opulently. Eventually he was murdered in one of the most famous assassinations in history. Caesar's contemporaries included some of Rome's most famous figures, from the generals Marius, Sulla, and Pompey to the orator and legislator Cicero as well as the young politicians Mark Antony and Octavius (later Caesar Augustus).

Read Book Who Was Julius Caesar

Caesar's legendary romance with the Egyptian queen Cleopatra still fascinates us today. In this splendid biography, Freeman presents Caesar in all his dimensions and contradictions. With remarkable clarity and brevity, Freeman shows how Caesar dominated a newly powerful Rome and shaped its destiny. This book will captivate readers discovering Caesar and ancient Rome for the first time as well as those who have a deep interest in the classical world.

In this splendid profile, Canfora offers a radically new interpretation of one of the most controversial figures in history. The result of a comprehensive study of the ancient sources, "Julius Caesar" paints an astonishingly detailed portrait of this complex man and the times in which he lived.

Many men killed Julius Caesar. Only one man was determined to kill the killers. From the spring of 44 BC through one of the most dramatic and influential periods in history, Caesar's adopted son, Octavian, the future Emperor Augustus, exacted vengeance on the assassins of the Ides of March, not only on Brutus and Cassius, immortalized by Shakespeare, but all the others too, each with his own individual story. The last assassin left alive was one of the lesser-known: Cassius Parmensis was a poet and sailor who chose every side in the dying Republic's civil wars except the winning one, a playwright whose work was said to have been stolen and published by the man sent to kill him. Parmensis was in the back row of the plotters, many of them Caesar's friends, who killed for reasons of the highest political principles and lowest personal piques. For fourteen years he was the most successful at evading his hunters but has been barely a historical foot note--until now. The Last Assassin dazzlingly charts an epic turn of history through the eyes of an unheralded man. It is a history of a hunt that an emperor wanted to hide, of torture and terror, politics and poetry, of ideas and their consequences, a gripping story of fear, revenge, and survival.

This is a fresh account of Julius Caesar - the brilliant politician and intriguing figure who became sole ruler of the Roman Empire. Julius Caesar examines key figures such as Marius, Sulla, Cicero, Mark Antony, Gaius Octavius (emperor Augustus), Calpurnia and Cleopatra, as well as the unnamed warriors who fought for and against him, and politicians who supported and opposed him. Including new translations from classical sources, Antony Kamm sets Caesar's life against the historical, political and social background of the times and addresses key issues: Did Caesar destroy the Republic? What was the legality of his position and the moral justifications of his actions How good a general was he? What was his relationship with Cleopatra? Why was he assassinated? What happened next? This is Caesar – the lavish spender, the military strategist, a considerable orator and historical writer, and probably the most influential figure of his time - in all his historical glory. Students of Rome and its figures will find this an enthralling, eye-opening addition to their course reading.

Presents the life and accomplishments of the Roman general and statesman, known for his bravery in battle, who transformed the Roman republic into an empire.

Parenti presents a story of popular resistance against entrenched power and wealth. As he carefully weighs the evidence in the murder of Caesar, he sketches in the background to the crime with fascinating detail about Roman society.

Loved by the common people and his fellow soldiers, Caesar came to control the Roman Republic. But his opponents were steadfast in their struggle against him. The tale of Julius Caesar is filled with ambition, glory, and ultimately, tragedy.

Brutus, best friend of the Roman ruler Caesar, reluctantly joins a successful plot to murder Caesar and subsequently destroys himself.
